

typology of activities of Bernhard Schneider 01/1994-06/2016

■ lecturing ■ consulting, project management, proposal design ■ applied research ■ merit reviewing and evaluation ■ own investment incl. preparation ■ administration, acquisition

Bernhard Schneider

Chronological list of research participation

name of project	% own share	cooperation with research inst.; orderer, period	own work (months)	
labor potential of the Gmünd - Ceské Velenice region (AT-CZ)	100	for the Austrian National Business Park Development Inc. (Wirtschaftspark-Errichtungsgesellschaft, WEG), funded by the Lower Austrian labor exchange, 2-4/94	0,9	0,5
Operational Program INTERREG II Austria-Czech Republic based on draft concepts provided by administrations of Vienna, Upper and Lower Austria	80	orderer: Land administration of Vienna, 1995	1	2,5
contributions to a regional monography of the Waldviertel/AT	25	orderer: ÖAR Ges.m.b.H., funded within the VIRGILE initiative of the European Commission, 03-04/96	1	2
Alternatives for labor market policy , and mid-term development of qualification demand in the Southern Czech districts of J.Hradec and C.Budejovice	100	orderer: Austrian Gfederal Ministry of Labor, Health and Social Affairs in cooperation with Czech labor market exchange services at Jindrichuv Hradec and Ceské Budejovice (1995/96)	1	4
Alternatives for labor market policy, and mid-term development of qualification demand in the Austrian Waldviertel	35	cooperation with the Austrian Institute of Spatial Planning; orderer: Lower Austrian labor market exchange (EU-funded out of ESF/objective 4, 1995/96)	1	12
database of Austrian-Czech cooperation projects since the opening of the border in 1989	80	orderer: Austrian embassy in Prague, 1997	1	1
project „ destination management for Waldviertel and Southern Bohemia“	50	cooperation with ARGE Grenznutzen and Tourismusregion Waldviertel Ltd., orderer: Social cybernetics unit of the Institute for design and impact research of TU Wien , 1998 (taskforce for nature park cooperation)	1	5
feasibility study for and advice and service center in the Ceské Velenice business park/CZ	70	for WEG GmbH, 1998/99, orderer Infrastructure Ministry and Lower Austrian Land administration, cities Gmünd and Ceské Velenice	1	1
Ecological development of settlements in the Gmünd - Ceské Velenice region	10	with Austrian Institute of Spatial Planning and TU Graz. Orderer: Austrian Ministry of the Environment , Youth and Family 8-10/92 und 1997 for the Aarhus Climate Summit 1998	1	3
Chapter on noise emission in EIA for the military training area Allentsteig, Austria	40	cooperation with Mag. Dr.Dr. J. Baum, orderer: City of Allentsteig with funding from Austrian Defense Ministry and Federal Chancellery, 07/1998	1	0,5

draft list of project priorities and beacon projects for the program INTERREG II/PHARE CBC AT-CR	50 for ARGE Grenznutzen; funded by Lower Austrian Land administration /RU2, 11/1998	1	0,5
Telecommunication in the South Bohemian border region (for EU policy platform Pro Waldviertel - part of a telecom strategy) feasibility study for secondary education with focus on wood and metal processing technologies in the Waldviertel-South Bohemian region, preparatory work for an International Engineering Academy Ceské Velenice	10 ECO-Plus , regional development agency of the Lower Austrian Land Administration, 1999 60 1996-99; funded by the Austrian Ministries of Education and Arts and of Science and Transport, funded within INTERREG II-ESF; follow-up 2001	1	1
Co-author of „impacts of EU-enlargement on labor markets “	40 with Mag. Dr.Dr. Josef Baum, orderer: Lower Austrian Workers' Chamber , 2001	1	1
GEMIS-based climate balance for the city of Raabs with Energy Agency Waldviertel, 2003; included a "pay-as-you-cause" methodology for territorial climate balancing	30 city of Raabs an der Thaya with funding by Lower Austrian Land administration, 2002	3	3
„ Strategy and measures for cross-border labor market policy in Northern Lower Austria, Southern Czechia and Western Slovakia “, for Wallenberger&Linhard GmbH	90 ECO-Plus project in the framework of INTERREG III, 2003	3	1
study „ basic IT-training in rural regions “	50 funded within the Programms for Local Development NOEL for Lower Austria, 2004	4	1
manual on „IT-training in rural regions, part II“ for ARGE Region Kultur	30 orderer: Austrian Federal Chancellery , 2004	4	1
manual on „ EU structural funds “, 1st edition published in Czech and German	50 with Dr. O. Potluka, for the Institute of Regional and Structural Politics IREAS associated to the Prague School of Economics VSE , 2002-2004;	4	5
comprehensive simulation and optimization software tool for biogas plants (economy, environmental impact) „pro bio gas“ in German, English and Czech	100 BEB Bioenergie AG , support from Claas (German agro-machinery manufacturer) and University of Life Science BOKU Vienna, 2003-05	5	6
manual for the biogas software tool pro bio gas in Czech for ENVI o.p.s. Trebon/CZ	100 ETC-Small Project Funds for the Czech Republic, 2006	6	1
book „Complex, Multifunctional Revitalization and Redevelopment of Large Real Estate “ – Logos Berlin 2007	100 based on own doctoral thesis written at Alpen-Adria Universität Klagenfurt 2006	6	1
project partner „ energy scenarios for grassland regions“ - methodology, quality control, edition	15 BOKU Wien , Institut for Safety and Risk Research (funded by Schiedel foundation) 2007	7	1

INTERREG-Project „Sustainable Landscape Management“	30	with the Energy Agency of the Regions and Wallenberger&Linhard GmbH, orderer: Lower Austrian land administration , 2004-07	7	2
Regional development study for spa tourism and thermal spa localisation	100	Starostwo powiatowy , PL-10100 Lidzbark Warminski, Polen, 2006-07, funding from the EU-Structural Funds ERDF	7	6
Development potential study for a highwayside business park at project OPAL - economic and ecological analyses of biogas production from mixed crops and intercropping; software development, climate impact, final redaction	100	Lucky Horse GmbH , Schrick, 2007	7	3
scientific coaching for a study „youngsters and regional development in Austria “ - sub-contracted by ILD business consultants	15	for the University of Life Science BOKU Wien , dpt. For safety and risk research (funded within the program Neue Energien 2020 and by the Austrian Climate Research Program ACR) 2009-2010	9	2
Methodology for early recognition and forecast of price development at real estate markets, project of University of Reading/UK and University of Lodz, Poland, with comparison of real estate market machanisms in AT, CZ, PL	15	orderer: Austrian Federal Chancellery , 11-12/2010	10	0,5
Check My Future, online survey on motives of young Austrian when deciding whether to leave their home region or not	25	University of Lodz, dpt. of investment and real estate research - Marie Curie job funded with the EU's 6th FP, 2006, results published in English and Polish in 2010	10	3
IRFIG - practical pilot application of the IRFIS-toolkit	10	Styrian Land Admiinistration ; within the festival "Regionale 2013"	13	0,5
IRFIS - toolkit for the assessment of the appropriateness of refurbishment projects in respect to the use of energy performance contracting models	25	Microregion ASTEG/AT within the framework of an ETC-funded project "IRFIG", (ERDF-funded) 2013	13	2
Regional study for the Waldviertel (Lower Austria) for the project "Danube-Energy" - economically optimized use of grass biomass	60	Microregion Thayaland/AT within the framework of an ETC-funded project "IRFIS", (ERDF-funded)2013	13	2
Regional study Lower Bavaria (Germany) for the project "Danube-Energy" - economically optimized use of grass biomass	40	for the Energy Agency of the Regions , funded out of ERDF (ETC-Central Europe), 2014	14	0,5
Regional study Pomurje (Eastern Slovenia) for the project "Danube-Energy" - economically optimized use of grass biomass	60	for the research institution IAB affiliated to LfL Freising Weihenstephan/DE , funded out of ERDF (ETC-Central Europe), 2014	14	0,5
location finding and logistical conception for regional PROGRASS conceptions	50	for CATRO Slovenia Consultancy d.o.o. , Ljubljana, funded out of EFRE (ETC-Central Europe), 2014	14	0,5
Potencial study of short term availability of shelter for refugees in the Waldviertel region	80	funded by EFRE-ETC, with Uni Kassel/DE and Agricultural University of Poznan/PL 1/2015	4	0,5
	90	for the Departments of Construction and Ecology and of Migration and Globalisation of the Donau-Universität Krems/AT , 2015	15	0,5

Basic Conception for a New Water Deal for Water Household Remediation in Mediterranean Semiarid regions As a Model for Refugee Settlements, Flood Prevention, Climate Change Mitigation and Sustainable Agrarian Production	70	with ENKI o.p.s. , Trebon/CZ, 2016	16	1
decision support tool for new use of large unused real estate	15	Department of Construction and Ecology of the Donau-Universität Krems/AT, project under preparation 2014	16	0,5
ALGAFERTIL - integrated low-carbon regional conception for waste water treatment and fertilization in Mediterranean horticulture	30	preparation of financing 2016	16	0,5
Summe				87,5
